Dear Sir

Please send me the death certificate of my brother, 6737, Pte Cornelius Carroll, who left Australia with the 22nd reinforcements of the 11th Battalion and was killed in France on the 10th August 1918. You will notice my change of name and address, as I was married on the 3rd January 1917.

The 5th Military District (W.A.) was notified soon after, and I have since received all communications from them in my married name, although your telegrams were always sent to my maiden name and address. If you want any further particulars let me know promptly.

Yours faithfully

Ellen Conway (nee Carroll)
